In Ren 6 yellow class, students finalized their culminating tasks. They wrote their rough draft essays, then exchanged with a partner for peer review, and used the peer edits to write their final drafts. Unit 2 CT contained a fair amount of writing practice. Students are better able to compare and contrast, and also make inferences and express their opinions verbally and in written form. Well done, class!

# G6 Ai: Yellow 六愛:黃組

In Ai6 Yellow class, students are practicing self-regulation and independent learning during quiet reading. To challenge the students further, they bravely conducted book reviews for the class telling us title, author, content, opinions about the book or a question for the author. We will continue building up our confidence to speak English in front of an audience. Well done, class!

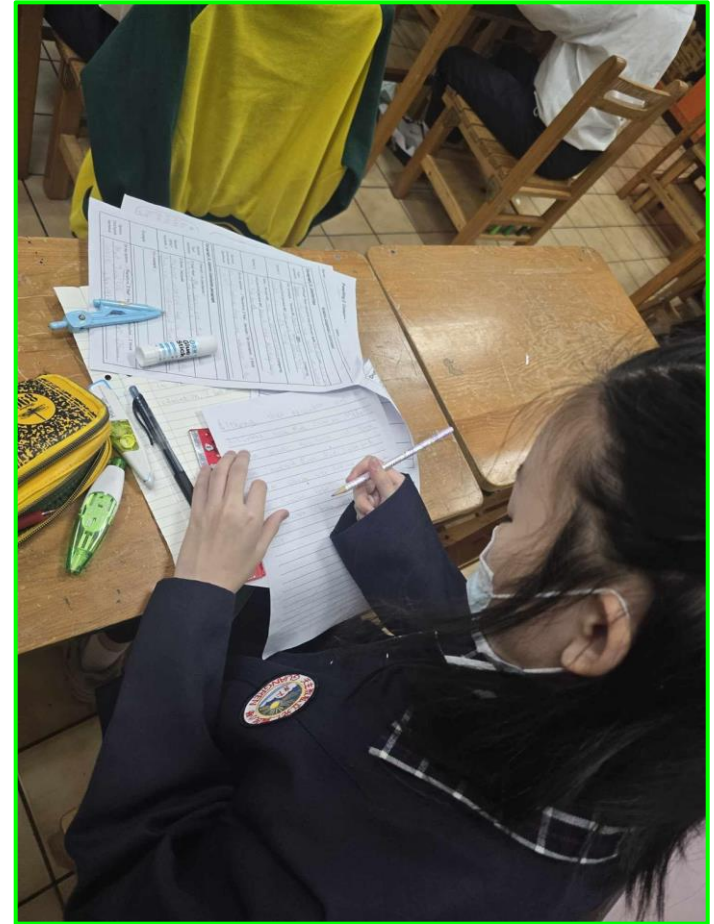

在六愛黃組，學生們在安靜閱讀時練習自我調節和獨立學習。為了更進一步地挑戰自己，他們勇敢地進行了書籍評論，並向全班介紹書名、作者、內容、對書籍的看法或向作者提出問題。我們將繼續提升在大家面前使用英語發言的信心。做得好，同學們！
