## School Rooms - Slap Game

In Ren 1 Green Class, the students had fun playing a slap game. The students read the sentence above the picture and then slapped the correct picture. This activity engaged the students in reading, interpreting a picture, and vocabulary comprehension. It also helped them to practice our new school rooms vocabulary.

一仁綠組的學生們開心地進行Slap Game。學生閱讀圖片上方的句子，然後拍打正確的圖片。這個活動讓學生參與閱讀、解釋圖片和字彙理解的練習。也幫助學生練習我們新學期的教室字彙。

In Ai 1 Green Class, the students did a “Gg” phonic reading comprehension. They first read a short story and circled all the words that began with the letter Gg. On a second paper we had sentences with blank spaces, words missing. The students re-read the short story to find the missing words to complete the sentences. This activity practices their pronunciation with the read aloud, phonemic awareness with letter “Gg”, and their reading comprehension.

一愛綠組的學生們進行了「Gg」語音閱讀理解練習。他們首先閱讀了一個短故事，並圈出所有以字母Gg開頭的單字。接著，在第二張紙上有些句子，裡面有空格，缺少的單字。學生再次閱讀短故事，找到缺失的單字來完成句子。這個活動練習他們的朗讀發音、字母「Gg」的語音意識，以及他們的閱讀理解能力。

In Ren 1 Yellow class, students had a great time learning the letter "G" by playing a board game where students wrote the spelling of words that begin with or contain the letter "G" on the whiteboard. This interactive activity helped reinforce phonics skills, while also promoting letter recognition and word formation. By actively participating in spelling challenges, students build confidence in their writing abilities, improved their focus, and enjoyed learning in a fun, hands-on way.

一仁黃組的學生們通過玩桌遊來學習字母「G」，大家寫下以字母「G」開頭或包含字母「G」的單字，並將其寫在小白板上。這個互動活動幫助強化了語音技能，同時促進了字母識別和單字組成。學生透過積極參與拼字挑戰，增進寫作信心，改善專注力，並且在有趣、動手操作的方式中享受學習的樂趣。

# A peek into our week

In Ai 1 Yellow class, the students explored different school rooms through a fun and interactive game of Bingo! Students walked around the room, asking their classmates about various school rooms, and their classmates responded in complete sentences, such as "This is the English classroom." We also practiced writing by having the students describe school rooms in full sentences, like "This is the English classroom." This activity helped improve their communication skills, sentence structure, and vocabulary, while encouraging social interaction and active learning.

一愛黃組的學生們透過一個有趣且互動的賓果遊戲，探索不同的教室！學生在教室裡走來走去，詢問同學關於各個教室的問題，然後以完整句子回答，例如：「這是英語教室。」我們也進行寫作練習，讓學生用完整的句子描述教室，例如：「這是英語教室。」這個活動幫助提升他們的溝通能力、句型結構和字彙，同時促進社交互動和積極學習的動力。

## ROOMS IN OUR SCHOOL!

**XIN 1 YELLOW**

This week in the Xin 1 Yellow class, students continued exploring our unit on "My School." The focus was on learning about the different rooms within our school. We read the book *My Teacher*, which helped us discuss the various places teachers go throughout the school. To make the lesson more interactive, the students enjoyed a lively slap game and also practiced writing the names of the different rooms on whiteboards. These activities not only reinforced the vocabulary but also encouraged teamwork and hands-on learning in a fun and engaging way.

本週的一信黃組繼續探索我們單元「我的學校」。這次的重點是了解學校內的不同教室。我們閱讀《我的老師》這本書，這幫助我們討論老師在學校各個地方的活動。為了讓課程更多互動，學生進行充滿活力的拍打遊戲，並且練習在小白板上寫出不同教室的名稱。這些活動不僅增進字彙的學習，還鼓勵團隊合作和動手實作學習，以有趣且吸引人的方式進行課程。

This week in Xin 1 Green Class, the students played a fun and interactive game to practice writing their snap words. The class was split into two teams. Then, the teacher asked one helper from each team to listen to the snap word and write it on the whiteboard. The first student to write the word correctly earned one point. Other students in the team could help, which encouraged teamwork and building a sense of community while they practice the writing and spelling of snap words.

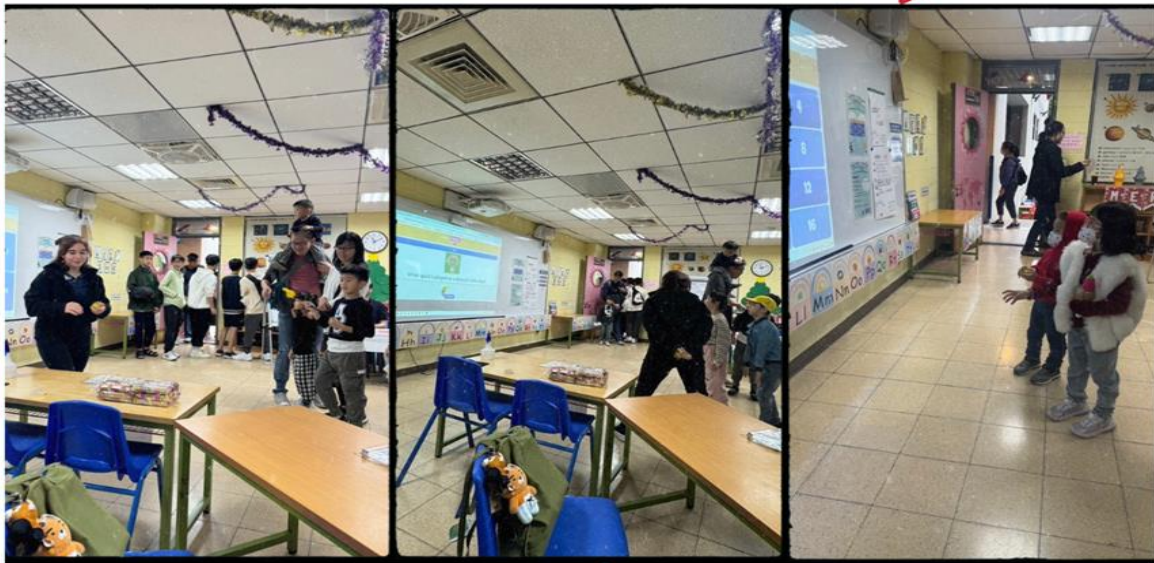

一信綠組的學生們進行一個有趣且互動的遊戲來練習寫快閃單字（snap words）。班上被分成兩組，然後老師會請每隊各派一位幫手，聽取快閃單字並把它寫在白板上。第一個正確寫出單字的學生可以得一分。隊中的其他學生可以幫助，這樣不僅鼓勵團隊合作，也培養社交能力，同時練習寫作和拼寫快閃單字。
